

## Postdoctoral Fellowship in Chemistry

A **Postdoctoral Fellowship** in Chemistry is available at the Basque Center for Macromolecular Design and Engineering, POLYMAT Fundazioa ([www.polymat.eu](http://www.polymat.eu)) in the Catalysis and Sustainable Polymers group (<https://haritzsardonlab.com/>).

Applicants must have a PhD (or equivalent) in Chemistry with extensive and proven research experience in catalysis, organic synthesis and polymers.

Good command of written and spoken English is a must (if preselected, a telephone interview will be carried out before any other appointment is made). The selected candidate is expected to conduct research, write reports, and papers.

Applications should be addressed to Prof. Haritz Sardon and sent via email in one single PDF to [haritz.sardon@ehu.es](mailto:haritz.sardon@ehu.es) before the 31<sup>st</sup> of May of 2022. Applications must contain the title of the position on the email subject and include:

- (i) a cover letter highlighting their interest in the position.
- (ii) curriculum vitae.
- (iii) a description of previous research (1-2 pages).
- (iv) the names and contact addresses (e-mail) of two academic referees.

Applications will be considered upon arrival. Please note that, because of the large number of applications expected, we will not be able to give individual feedback to unsuccessful applications.

*POLYMAT has obtained the 'HR Excellence in Research award'. The award reflects our commitment to continuously improve our human resource policies in line with the European Charter for Researchers, the Code of Conduct for the Recruitment of Researchers and our commitment to achieve fair and transparent recruitment and appraisal procedures.*
