

2 PhD scholarship positions are available

2 PhD scholarship positions are available in the Group of Polymerization Processes at POLYMAT Fundazioa (www.polymat.eu), in projects funded by the consortium of companies forming the Industrial Liaison Program of POLYMAT in Polymerization in Dispersed Media.

We are seeking exceptionally talented and motivated students, having a solid background and a Master in Polymer Chemistry, Chemical Engineering or Polymer Engineering or other related area.

In addition, it will be appreciated if the candidate has background or expertise in Polymerization in dispersed media.

Good command of written and spoken English is a must (if preselected, a telephone interview will be carried out before any other appointment is made). The selected candidates are expected to conduct research, write papers, and deliver a PhD thesis.

The positions can be started ideally by **March, 2024**.

Applications should be sent via email in **one single PDF** to **info@polymat.eu** including:

- (i) a cover letter highlighting their interest in the position.
- (ii) curriculum vitae.
- (iii) transcript of records of BSc and MSc studies.
- (iv) the names and contact addresses (e-mail) of two academic referees.

Deadline for submission: January 31, 2024

Please note that because of the large number of applications expected, we will not be able to give individual feedback to unsuccessful applications.
